

## Andy's Thoughts

*Hello... and welcome to my occasional thoughts. I am Andy, I live here at Monte Naturista O Barão with my wife Jill, my dog Sid, a cat named TomTom and my lovely goat Nellie. We first came here in our caravan in June 2007 to camp and look for our own place in the sun. We never left! Since then this little paradise has grown into what is in my opinion the best naturist site... in the world! In the coming months I'll keep in touch, through this page, with news, opinions and info.*

### **Thoughts for May**

**I am so sorry to be late, but I have been waiting for the football results, so that I can share the exciting news with you.**

**My team, Brighton have been promoted to the English Premier League!!!!!!  
Jeffs team Feyenoord have become the champions of the Netherlands !!!!!!!  
But better than that, Ajax are in the final of the Europa league cup which will be played in Stockholm on 28th May. There, on that day, they will come second to Manchester United. Ajax have of course also finished second to Feyenoord in the Dutch premier division. This is why the telephone code for Amsterdam is 020.**

**I have mentioned the new facilities here at Montenaturista. The thing is that the toilet doors, at this moment, are not quite finished, in that the beautiful locks that have been ordered, have not arrived. It is therefore an advantage to be able to whistle, 'as you work'. Sadly, try as I might, I am not able to whistle. More than that I have read recently that a man who cannot whistle may in some way be "faulty". I am sure you will understand that this makes me very vulnerable. I have an awful case of consternation.**

**Summer is coming. It is getting warmer. Do come and share the Montenaturista Experience. Do not worry if you do not know the words to the song, we will teach you to whistle.**

**See you,  
Andy**

### **PS 1**

**Jill has proof read these ramblings and corrected some of the words and has told me off for misspelling them. I told her that rather than teaching me to spell, it would be more useful to teach me to whistle. I need to go.**

### **PS 2**

**The door locks just arrived and have been installed.**
